ABIDING IN HIM

D. C. Wright

- 1. Abiding, oh, so wondrous sweet! I'm resting at the savior's feet, I trust in him, I'm satisfied, I'm resting in the Crucified!
- 2. He speaks and by his word is given his peace, a rich foretaste of heaven! Not as the world he peace doth give, 'tis thro' this hope my soul shall live.
- 3. I live; not I; 'tis he alone by whom the mighty work is done! Dead to myself alive to him I count all loss his rest to gain.
- 4. Now rest, my heart, the work is done, I'm saved thro' the eternal son! Let all my powers my soul employ, to tell the world my peace and joy. CHORUS

Abiding, abiding, oh! So wondrous sweet! I'm resting, resting at the savior's feet.
